Subject: Truck Convoy - Update

- Approximately 75 vehicles are on site, including large tractors. These are located on Broadway and Memorial.
- Osborne, Kennedy, and Assiniboine remain clear. WPS is positioned on Assiniboine and is turning vehicles away.
- Counter protestors (x12 approximately) are positioned on the Broadway sidewalk. Limited to verbal engagement with truckers at this point.
- WPS negotiators arrived and are using an office inside the Legislature.
- No attempts to access the grounds yet.

We will send some updated photos soon.

Mike, officer/vehicle resources at the Premier's residence may be needed tonight, depending on whether WPS can maintain coverage on Assiniboine.
